The **Advantage Dental Sales** Team is a network of small independent business owner's currently in practice or with clinical hands on experience. The company was founded on the premise that trusted peer-to-peer relationship selling among personal friends is the best way to build their business. ADS reps recommend only products they found made a difference in their practice.

Advantage Dental Sales has partnered with small dental businesses to represent their products directly to dental professionals. By creating a collective network, ADS can save you money, increase your profits and gain a higher level of confidence and trust in the products and business solutions you choose to use in your practice.
